Day 1 | Read and Notice

Do Now

What do you already know about inventors, innovation, and society?

Source 1

Inventors identify problems, design possible solutions, test ideas, and revise their work. Innovations in transportation, communication, medicine, and agriculture affect everyday life. Many inventors worked in teams or built on earlier discoveries. We can study whose contributions were recognized and whose were overlooked.

Source investigation

Identify two details that help answer the essential question.

Quick Write
